

## North American Book Awards Announces 2017 Q2 Award Winners

North American Book Awards is an event where authors are recognized for professionalism in publishing and where discoverability within global reader communities is enhanced. North American Book Awards designations in gold, silver, and bronze are posted by authors on Amazon and circulated as a part of all promotional and publicity efforts. ([NorthAmericanBookAwards.com](http://NorthAmericanBookAwards.com))

North American Book Awards is excited to offer a year-round format of quarterly judging and winner announcements, each calendar year. We are pleased to announce 2nd quarter winners of the 2017 North American Book Awards as follows:
